INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
Call For Help Inc

Report on the Financial Statements

We have audited the accompanying financial statements of Call For Help Inc (a nonprofit organization), which comprise the statement of financial position as of June 30, 2015, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Call For Help Inc as of June 30, 2015, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of program income (loss), the schedule of revenue by program, and the schedule of expenditures of federal awards, as required by Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations* are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated September 11, 2015 on our consideration of Call For Help Inc's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Call For Help Inc's internal control over financial reporting and compliance.

CALL FOR HELP INC

NOTES TO THE FINANCIAL STATEMENTS JUNE 30, 2015 AND 2014

NOTE 1: NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities – Call Help Inc ("Organization") is an Illinois 501(c)3 corporation providing crisis intervention, transitional living services and other supportive services to assist community residents with personal distress and to combat homelessness. The organization provides an array of services to assist individuals to meet their essential needs in the following four programs:

- Community Stabilization program providing transitional living services to individuals with chronic mental illness who are also homeless.
- Sexual Assault victim's services.
- Transitional Living services for young women who may be pregnant and or parenting one or two small children and who are homeless.
- Recovery Support services

The Organization obtains its revenue primarily through local, state and federal contracts and charitable grants.

Use of Estimates – The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Basis of Presentation – The Organization follows accounting standards set by the Financial Accounting Standards Board (FASB). In June 2009, the FASB issued FASB ASC 105, Generally Accepted Accounting Principles, which established the FASB Accounting Standards Codification (FASB ASC), as the sole source of authoritative U.S. generally accepted accounting principles (GAAP). FASB ASC 105 is effective for periods ending on or after September 1, 2009. Pursuant to FASB ASC 105, the Organization has updated references to GAAP throughout these financial statements, including a parenthetical reference to the prior authoritative literature.

The Codification had no effect on the Organization's financial statements, as it is for disclosure purposes only.

CALL FOR HELP INC
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2015 AND 2014 (CONTINUED)

The accompanying financial statements of the Organization have been prepared on the accrual basis of accounting. Financial statement presentation follows the recommendations of FASB ASC 958-205 (formerly Statement of Financial Accounting Standards (SFAS) No. 117, *Financial Statements for Not-for-Profit Organizations*). Under FASB ASC 958-205, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. The Organization has no permanently restricted net assets at June 30, 2015 and 2014. Restrictions met in the same period as the resources are received are recognized and classified as unrestricted revenues.

Fair Value of Financial Instruments – The fair value of financial instruments classified as current assets or liabilities, including prepaid expenses and other assets, accounts receivable, accounts payable and accrued expenses approximate carrying value due to the short-term nature of these accounts.

The Organization determines the fair value of certain assets on a recurring basis through application of FASB ASC 820 (formerly SFAS No. 157, *Fair Value Measurements*) for financial assets and liabilities. The Organization has no material financial assets or liabilities measured at fair value and, accordingly, management has determined that the application of ASC 820 does not have a material impact on the financial statements.

FASB ASC 820 is also effective for nonfinancial instruments of the Organization. There were no triggering events that required fair value measurements of the Organization's nonfinancial assets and liabilities at June 30, 2015 and 2014.

Accounts Receivable – Accounts receivable consist of amounts due to the Organization from various funding agencies. The Organization reviews these amounts to determine whether they are collectible and has determined that an allowance for uncollectible amounts is not considered necessary at June 30, 2015 and 2014.

Property and Equipment – Property and equipment is recorded at cost. Depreciation is computed using the straight-line method over the estimated useful lives of the assets, as follows: Building – 31.5 years; Leasehold improvements – 31.5 years; Equipment and Furniture – 3 to 5 years; and Vehicles – 5 years. Maintenance and repairs are charged to operations. Major improvements are capitalized. When assets are retired or otherwise disposed of, the cost and related accumulated depreciation is removed from the accounts and the gain or loss, if any, is included in the comparable statement of activities.

CALL FOR HELP INC

NOTES TO THE FINANCIAL STATEMENTS

JUNE 30, 2015 AND 2014 (CONTINUED)

Tax Status – The Organization is tax-exempt under Section 501(c)(3) of the Internal Revenue Code and, therefore, is exempt from both federal and state income taxes. Accordingly, no provision has been made for income taxes in the accompanying financial statements.

The Organization has adopted the provisions of FASB ASC 740-10-25 (formerly FASB Interpretation No. 48, *Accounting for Uncertainty in Income Taxes - an Interpretation of FASB No. 109*) requiring disclosure of uncertain tax positions. There has been no interest or penalties recognized in the Statement of Activities nor in the Statement of Financial Position related to uncertain tax positions. In addition, no tax positions exist for which it is reasonably possible that the total amounts of unrecognized tax benefits will significantly increase or decrease within the next 12 months. The Organization evaluates its uncertain tax positions, if any, on a continual basis through review of its policies and procedures and discussions with outside experts.

In-Kind Services – In-kind services donated by volunteers are reflected as contributions and offsetting expenses in the accompanying financial statements based on the number of hours worked at predetermined hourly rates, which approximate a market rate. Total in-kind services recorded as contributions and expenses for the year ended June 30, 2015 and 2014 totaled \$96,562 and \$54,846 (contributions) and \$96,562 and \$54,846 (expenses) respectively.

Subsequent Events – In accordance with FASB ASC 855 (formerly SFAS No. 165, Subsequent Events), the Organization has evaluated subsequent events through September 11, 2015, which is the date the financial statements were available to be issued.

Less - accumulated depreciation	<u>(2,819,206)</u>	<u>(2,647,348)</u>
Property and equipment, net	<u>\$ 1,777,076</u>	<u>\$ 1,845,308</u>

The Organization had depreciation and amortization expense of \$172,657 and \$170,515 for the years ended June 30, 2015 and 2014, respectively.

NOTE 4: CAPITAL LEASE

The Organization is the lessee of office equipment under a capital lease expiring in fiscal year 2020. The assets and liabilities under capital leases are recorded at the lower of the present value of the minimum lease payments or the fair value of the assets. The assets are depreciated over their estimated productive lives, which is also equivalent to the lease term (5 years). Depreciation of the asset acquired under the capital lease is included in depreciation expense for the years ended June 30, 2015 and 2014.

The following is a summary of property held under capital leases:

	<u>2015</u>	<u>2014</u>
Telephone lease, at cost:	\$ 103,330	\$ 68,815
Less accumulated depreciation:	<u>73,417</u>	<u>66,521</u>
Total, net	<u>\$ 29,913</u>	<u>\$ 2,294</u>

Minimum future lease payments under capital leases as of June 30, 2015, were as follows:

FY 2016 lease payment	\$ 8,781
FY 2017 lease payment	8,781
FY 2018 lease payment	8,781
FY 2019 lease payment	8,781

Net minimum lease payments	36,587
Amount representing interest	<u>(6,674)</u>
Present value of minimum lease payments	<u>\$ 29,913</u>

The interest rate to determine the present value of minimum lease payments on the capital lease was 9.86%.

NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2015 AND 2014 (CONTINUED)

NOTE 5: CONCENTRATIONS

The Organization receives a substantial amount of its funds from federal and state funded agencies. A significant reduction in these funds would have a material effect on the Organization's financial position.

NOTE 6: PENSION PLAN

The Organization maintains an agency retirement plan, covering substantially all of its employees, to which it contributes 3% of qualifying employees' base salaries. The plan expense for the years ended June 30, 2015 and 2014 totaled \$22,829 and \$20,405, respectively, including forfeitures used from non-vested contributions. Total pension amounts contributed in fiscal years 2015 and 2014 were \$40,378 and \$39,433, respectively, less the forfeitures used (\$17,549 and \$19,028) to offset these expenses.

The Organization also provides a separate 403(b) annuity plan with all employees eligible to participate. Under the plan, employees may elect to defer a portion of their salaries, with no matching contributions made by the Organization.

NOTE 7: OPERATING RESERVE, UNRESTRICTED NET ASSETS

Board-designated Unrestricted Net Assets

The total amount of the operating reserve for the Organization for 2015 and 2014 is \$1,108,185 and \$1,094,634, respectively. The Organization's operating reserve is based upon a calculation of total unrestricted net assets for the Organization (\$2,861,436 for 2015 and \$2,939,942 for 2014), less the Property and Equipment, net (\$1,777,076 for 2015 and \$1,845,308 for 2014) and adding back the long-term capital lease/note (\$23,825 for 2015 and \$0 for 2014).

This total operating reserve is calculated to reflect the amount of available reserve (net assets) to operate the business in the next year. Since that amount resulted from an internal designation and is not donor-restricted, it is classified and reported as unrestricted net assets as shown below:

Call for Help Inc did not receive any noncash assistance, federal guaranteed loans or federal insurance for any of its programs for the year ended June 30, 2015.

Subrecipient Monitoring

Call for Help Inc did not pass through any of its federal funds to subrecipients during the year ended June 30, 2015.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED
ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE
WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Directors of
Call For Help Inc

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Call For Help Inc (a nonprofit organization), which comprise the statement of financial position as of June 30, 2015, and the related statements of activities, and cash flows for the year then ended, and the notes to the financial statements, and have issued our report thereon dated September 11, 2015.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Call For Help Inc's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Call For Help Inc's internal control. Accordingly, we do not express an opinion on the effectiveness of Call For Help Inc's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Call For Help Inc's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR
EACH MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL OVER
COMPLIANCE REQUIRED BY OMB CIRCULAR A-133**

To the Board of Directors of
Call For Help Inc

Report on Compliance for Each Major Federal Program

We have audited Call For Help Inc's compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of Call For Help Inc's major federal programs for the year ended June 30, 2015. Call For Help Inc's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Call For Help Inc's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Call For Help Inc's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Call For Help Inc's compliance.

Opinion on Each Major Federal Program

In our opinion, Call For Help Inc complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2015.

Report on Internal Control Over Compliance

Management of Call For Help Inc is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Call For Help Inc's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Call For Help Inc's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.
